

Colorado Texa

Date of Birth: 07/20/2010
Registration 1: BT183700
Breeder: Jim Steffler
Owner: Rhonda Harris

Courtesy of Rhonda Harris @ GotHorn.com

A sleek, long-bodied, true black son of Texas Longhorn royalty. In Colorado Texa's pedigree, the 3-time TLMA Ultimate Bull JP Rio Grande meets Texana Van Horne, a full sister of Tejas Star. Both parents and great-grand-dam Starlight are over 80" TTT. Texa's horns are both tipped, but his outstanding horn genetics are clear in his progeny.
